Due to limited funding at present it is not possible to offer the Book Rental Scheme to senior students. Consequently, 4th and 5th Year students must purchase text books, books of examination papers, etc. for the school year 2017/2018.

The Department of Education are again providing a Book Grant Scheme to help students purchase school books if there is genuine hardship in a family, e.g.

- Families dependant on Social Welfare payments.
- Families on low income who receive Family Income Support, Back-to-School Clothing/Footwear Allowance.
- Families who suffer financial hardship due to supporting a large family, being a single parent, alcoholism or some form of serious illness.

If you consider yourself eligible for the Book Grant Scheme, please fill in application form and return it to the school office by **Friday 30th June 2017**.

LATE APPLICATIONS WILL NOT BE ACCEPTED

NB: This scheme does not apply to First, Second and Third Year students as they rent their books or to Leaving Certificate Applied or Transition Year students.
