

LORETO
COMMUNITY
SCHOOL

June 2016

Dear Parent/Guardian

We would like to take this opportunity to advise you of the mathematical calculator recommended by our Maths Department for all students in Loreto Community School.

We would suggest that Parents purchase the:

'Casio Scientific FX83 GT Plus'

which can be obtained from all good school supplies shops in the local area.

This calculator is suitable for use throughout your son/daughter's mathematical studies at Loreto Community School to Leaving Certificate level.

Yours faithfully

Mrs Margaret O'Connor
